

Announcement of Lecture and Examination Periods as well as other important dates for the Summer Semester 2024 by the FHWS Examination Board on 7th September 2023

Version: 07th September 2023

Date	Description
Fri, 15 Mar 2024	Start of summer semester 2024
Mon, 18 Mar 2024	Start of lectures according to notification by faculties
Mon, 18 Mar to Fri, 05 April 2024	Access to exams written in the winter semester 2023/24. Upon application, access is given to students in person or to a representative with written authorisation. During the entire period, access to exam papers can be granted in IT-supported form. However, a Claim to access in IT-supported form does not exist. The modalities of this access (type, place and time) will be determined by the examiners and announced in an appropriate manner. With regard to the exams of sessional lecturers (<i>Lehrbeauftragte</i>), the modalities of access are determined and announced by the responsible examination committee. Note, that no catch-up dates are offered if you are prevented from attending.
